Hi Jen!

I wanted to take a moment and thank you for your support surrounding my decision to take a personal LOA...not having a SM present for 30 days couldn't have made your job any easier and I wanted to extend my appreciation towards you...

Having said that I also wanted to let you know I am so excited to be back in the swing of things...Kevin seems to have done an amazing job during his tenure but I see there is still a lot of work to be done to ensure I am Center of Excellence ready and sustainable...

I'm hoping that you have some time for me over the next few days...I wanted to talk more in-depth about what happens going forward and some of the plans I have for the future of 6th & Waverly...

Serenity
